TO WHOM IT MAY CONCERN

I can confirm that since 2017 WESTSUN SOLAR have successfully installed the following solar systems for Mineral Resources Limited

1. 187kw system installed at the CSI Workshop, Lot 449 Mandurah Road, Kwinana
2. 187kw Solar System installed at the PIHA Workshop, 14A Thorpe Way, Kwinana
3. 187kw Solar System installed at the Carbonart Workshop, 147 Barrington St, Bibra lake
4. 120kw Solar System installed at MRL Head Office 1-7 Sleat Road, Applecross
5. 100kw Solar System installed at CSI Workshop 27 Thorpe Way, Kwinana
6. 200kw Solar System installed at MRL Head Office 20 Walters Drive, Osborne Park

All of the above Solar Installations were installed without any incidents and to a high level of workmanship.

MRL would have no hesitation in using WESTSUN SOLAR in the future.

Regards

Bob Gavranich
Executive General Manager Special Projects

Osborne Park, MRL
195.75kW System
